

Yet

By Heidi Harrell

There are so many things you want to know,
So many ways you want to grow,
There are so many things you want to be,
So many milestones you want to see.

You will get there if you never forget
The superpower of the word, YET!

When you first tried to talk, you were hard to understand,
When you first tried to eat, you needed a hand.
When you first tried to walk, you fell and fell,
When you first tried to run, it didn't go well.

But your baby self knew something we often forget
The superpower of the word YET!

Somehow you knew that if you kept trying
Your chances of success would keep multiplying.
The same is true with every risk that you take,
You just have to learn from every mistake.

Where you put your effort, the goal will be met
As long as you remember the superpower of YET!
